# *Dedication*

We, the Algoma High School senior class of 1980-81, hereby dedicate this yearbook to Mr. Robert Hafeman with grateful thanks for his many contributions to this school system. "Bob" has taught at Algoma for 12 years and at the same time coached basketball, football, and track. He has expanded the lives of many students in a lot of different ways. We are all thankful for his guidance which has touched each of us one way or another. And so, this memory book is in his honor for all his caring.

## SKI CLUB HITS MICHIGAN

The Algoma High School Ski Club, headed by Jerry Guth, was a very big success this year. The Ski Club took several night trips, and a one day trip to Brule Mountain. The Ski Club biggest event was the three day trip to Iron Wood Mountain where they skied at Whitecap Mountain, Indianhead Mountain and Blackjack Mountain. The trips were made possible with the money they earned from selling oranges and grapefruit. The Ski Club is truly enjoyed by all the members.

Again this year Algoma High School continued its reputation for drama by advancing its One-Act Play to State competition. This year's production "Adaptation" featured a cast of 44 and a technical staff of 36 students. It was student directed by Cathie Ranta and supervised by Mr. Dale Eggert who replaced David Loos. Mrs. Joyce VanOss also lent her expertise.

Individual accomplishments included having Steve VanEgeren named one of 22 outstanding state actors and Dale Eggert being named as an outstanding state director.

Mr. Loos, who was in the hospital most of this year's season because of back problems, still gave the team his total support by directing it, unseen, from his hospital bed via Eggert and VanOss. We, as team members, would like to thank Mr. Loos for his unceasing confidence and love without which we would never have made it through the season, let alone to State competition. And also thank Mrs. VanOss for her many hours of hard work and dedication.

This year our own girls basketball team surprised no one when they walked away with the State Class B Championship Trophy. This year, thanks to our girls, we hold our heads high in memory of our victory. Good job, girls, and Congratulations.

Everybody feels the sports teams do a fine job. Well, they do. Good job, teams, we're proud of you. They make up a very important part of our sports curriculum. But there's another team that most people forget about . . . the cheerleaders. They're the girls who freeze their fingers, scream their heads off, and keep school spirit high when the team is down. Their job is not an easy one. They have to make posters, plan pep assemblies, and organize the entertainment for games. It's time we salute these girls and say, "Three cheers for the cheerleaders!!" Your job is truly appreciated and though recognition is not in excess, games just wouldn't be the same without you! Keep up the good work and remember girls, **YOU'RE THE BEST!!!**

## LETTER WINNERS

## TRAINERS WORK HARD

Algoma's trainers work under conditions and circumstances that most people are not familiar with, and feel self conscious of the job they must do. The younger trainers show much promise. Girl trainers are welcome and Mr. Brusky would like to see someone take on this challenge. The girl athletes really need one too. The trainers hope to acquire some new equipment for the next year.
